SCHOOL SEMINAR

Centre for Learning and Teaching in the Physical Sciences seminar and Physics Discipline sub-Committee meeting.

Wednesday 28 January 2009

10.00-11.00am

The first half of this meeting will be a presentation by Dr Ian Bearden, Director of Undergraduate Studies in Physics at the University of Copenhagen. He is visiting to explore cooperation between physics education at ANU and the University of Copenhagen, which are International Association of Research Universities (IARU) partners.

The second half will be a Physics Discipline sub-Committee meeting to discuss possible mentoring of undergraduate physics students by RSPE staff.

Link Building Seminar Room, RSPE.

Australian Research Council Nanotechnology Network ECR/PhD Symposium

The next Australian Research Council Nanotechnology Network ECR/Phd Symposium will be held in the Seminar Room at the Research School Physics and Engineering on 19 and 20 February.

The aim of this symposium is to provide a forum where ECR's and Postgraduate students working on nanotechnology research can present their work, meet other researchers and students and interact with other research groups in Australia.

Closing date for abstract submission - Thursday 15 January

Notification of acceptance - Friday, 30 January

Registration deadline - Monday 9 February
