Mr Alistair Muirhead has also been invited to present at the SNEAP Conference and the INTDS 2010 conference, Vancouver, Canada returning on 1 October 2010. Dr Nikolai Lobanov, will be absent from the 10 September - 11 October 2010 and has been invited to present at the 4th International Workshop on "Thin Films and New Ideas for Pushing the Limits of RF Superconductivity" to be held at Legnaro National Laboratory, Italy.

## NEW STAFF

Electronic Materials Engineering would like to welcome Dr Hao Wang who commenced as a Postdoctoral Fellowship with Professor Jagadish.

Department of Theoretical Physics welcomes Dr David Ridout, previously at the University of Montreal, who will commence his 5 year ARC Australian Research Fellowship "Indecomposable Structure in Representation Theory and Logarithmic Conformal Field Theory" on 12 September 2010.

## MEN'S HEALTH BARBEQUE

Thank you to everyone who participated in the Men's Health Barbeque. It was a resounding success with approx 70 people attending and a number of donations from those unable to join in. A big thank you to David Llewellyn for idea and organisation and to everyone who helped out on the day. Also thanks to those people who donated the raffle prizes. We raised a fantastic \$763.50 which has been forwarded to Prostate Cancer Foundation of Australia.
