29 January – 4 February 2010

FROM THE DIRECTOR'S OFFICE

Appointment of 3rd Year Coordinator in the Physics Education Centre

It is with great pleasure that we announce that Dr Joseph Hope has been offered and has accepted the position of third year coordinator in the Physics Education Centre (Centre for Learning and Teaching in Physical Sciences).

Dr Hope was selected from a very strong field of candidates. Congratulations Joe! Must be time for a morning tea! We look forward to working with him and the other year coordinators over the next few years to develop further the Physics undergraduate program across the School

The key academic positions in the PEC are:

A/Prof Craig Savage, Associate Director (Undergraduate) and First Year coordinator
Dr Anna Wilson, Second Year coordinator
A/Prof Joe Hope, Third Year coordinator
Prof Close (with Dr Robins), Honours Coordinator.

SCHOOL SEMINAR

Nonlinear Physics Centre Seminar

Monday 8 February 2010

2.00pm

“Metallic inclusions in Microstructured Polymer Optical Fibres”

by Dr Maryanne Large

School of Physics, University of Sydney

Link Building Seminar Room, Oliphant Building

All welcome

STAFF MOVEMENTS

Professor Mukunda Das, Department of Theoretical Physics, will participate and give an invited talk at the WAGGA 2010 meeting to be held at Waiheke Island in New Zealand, 2-5 February.

NLPC – VISITING FELLOW ARRIVAL

Prof Roland Schiek, a visiting fellow from Germany, has arrived for a month's visit with NLPC. He will have a desk in L2.04

Telephone – 59074

Email – roland.schiek@e-technik.fh-regensburg.de

Please help me welcome him to NLPC.

Thanks

Kath
