STAFF MOVEMENTS

Professor Craig Savage will be stepping down as Associate Director (Undergraduate Studies) on 30 June after several years in this role. Craig was thanked publically today for his tremendous contribution and cheerful enthusiasm. Craig will be replaced by Dr Anna Wilson from July 1.

Please note the following staff members have been appointed acting Heads of Department for several months: Prof Andrew Stuchbery (NP) until January 2012, Dr Mark Ridgway (EME) until December and Dr Stephen Gibson (AMPL) until October.

Professor Nanda Dasgupta, Nuclear Physics, is overseas until 21 June for collaborations at GSI, Germany and Legnaro, Italy and to chair a session at the Gordon Conference, US.

FAREWELL MARTINA

Its with great regret that we inform you that Martina Landsmann will be leaving the ANU shortly after 20 years of enthusiastic and dedicated service to this school. The greener pastures of New Zealand and the University of Auckland is a great opportunity for Martina and we wish her all the best for the future. For those of you who wish to express their best wishes or contribute to a gift please see Susie at Reception. Please join us to celebrate in true school fashion on **Friday 17 June @ 10.30am**, Oliphant Link Tea Room.
