

VOLUME 37 NUMBER 23

17 – 23 June 2011

DIRECTOR'S COLLOQUIUM

Leonard Huxley Theatre, Thursday 17 June

Professor Lawrence Krauss' *Cosmology as Science? From Inflation to Eternity* drew a large audience yet again from across campus and outside ANU with students, academics and visitors filling the theatre. Watch this space for news regarding our next exciting speaker scheduled for **Thursday 21 July 12.30**, same place.

STAFF MOVEMENTS

Professor Jagadish will be travelling to Stockholm, Oxford, Singapore and Kaohsiung to attend conferences and meetings from 17 June - 8 July 2011.

Dr Greg Jolley will be travelling to Seattle to attend a conference from 19 June - 3 July 2011.

WELCOME

EME would like to welcome Mr Aldwin Premala, Aldwin will be starting as a MPhil student with Dr Simon Ruffell.

SECURITY CARDS

The new smart chip security cards utilise an embedded aerial that is vulnerable to damage if a hole is punched incorrectly (for lanyard attachment). Rather than punching your card new rigid card holders with hole are available from the Store for less than \$1.00.
