### PURPLE SHIN 2014

The ANU Purple Shin competition, established in 1973, is due to kick off on 21st April and Real Fisica needs players. This competition gives an opportunity for ANU staff and students to put their soccer skills to the test against various ANU teams. The skill level of the competition ranges from first time players to current and former ACT state league players. The competition is a great way to meet new people from other areas on campus. Please contact Cormac Corr ([cormac.corr@anu.edu.au](mailto:cormac.corr@anu.edu.au)) if you are interested.
