CONGRATULATIONS

Professor John Love has been awarded the AOS W.H. (Beattie) Steel Medal. This Medal is the most prestigious award of the Australian Optical Society. It is presented only to a person at an advanced stage of his or her professional career and with a strong and sustained record of authority, enterprise and innovation in the field of optics in Australia. John will receive the medal at the 2009 ACOFT/ACOLS meeting in Adelaide.

Dr Ilya Shadrivov has been awarded the AOS Early Career Researcher (Geoff Opat) Prize. It is hoped that Ilya may be able to be presented with the award at the next ACOLS/ACOFT conference in Adelaide later this year.
